Job Details

About EOS Consulting Inc.

EOS Consulting Inc. is a COR-certified construction company operating throughout Western Canada. We specialize in commercial, residential, hospitality, institutional and government construction projects. We are currently seeking experienced Concrete Finishers to join our growing team in Jasper, Alberta.

Responsibilities
- Check forms, granular base and steel reinforcement materials.
- Direct placement of concrete into forms or onto surfaces according to grade.
- Fill hollows and remove high spots from freshly poured concrete.
- Operate power vibrators to compact concrete.
- Level top surface concrete according to grade and depth specifications.
- Finish concrete surfaces using hand and power tools.
- Install anchor bolts, steel plates, door sills and embedded fixtures.
- Apply hardening and sealing compounds to cure concrete surfaces.
- Waterproof and repair concrete surfaces as required.
- Repair, resurface and replace damaged sections of concrete structures.
- Follow project specifications, safety procedures and quality control requirements.
- Maintain a clean and safe work environment.

Job Description

Requirements
- Minimum 2 years of experience as a Concrete Finisher.
- Ability to read and interpret construction drawings and specifications.
- WHMIS certification considered an asset.
- Strong attention to detail and workmanship.
- Ability to perform physically demanding work.
- Ability to work outdoors in varying weather conditions.
- Valid driver's license considered an asset.

Work Conditions

- On-site work only.
- Overtime may be required.
- Physically demanding environment.
- Fast-paced construction projects.
- Commercial and residential construction projects.

Equipment / PPE

Workers must wear:

- Steel-toed safety boots
- Hard hat
- Safety glasses
- Gloves
- High visibility safety vest

Benefits

- Competitive wages
- Overtime opportunities
- Long-term employment opportunities
- Professional and safety-focused work environment
- Opportunity to work on major projects throughout Alberta
