Job Description

Responsibilities

• Operate fabrication machinery as required to produce aluminum and glass window components and products.
• Cut, shape and fit aluminum frame and glass materials, and install aluminum and glass panels into window frames.
• Screw, clip and bond aluminum and glass parts and components to assemble finished window units, including gluing windows into frames with a silicone gun.
• Inspect assembled window units for defects and conformance to customer specifications, handling customer glass carefully to prevent damage.
• Keep the work area clean and organized, removing scrap and debris from workstations and machinery.
• Follow safe working procedures, wear required personal protective equipment (safety footwear, safety glasses and hearing protection), and promote health and safety in the plant.
• Assemble, fit and install pre-fabricated parts and subassemblies, including frame components and glass units, to complete finished window assemblies.

Who Can Apply for This Job?

You can apply if you are:

• A Canadian citizen
• A permanent resident of Canada

Do not apply if you are not authorized to work in Canada. The employer will not respond to your application.

Please include “Aluminum Window Assembler ” in the subject line.

About State Window Corporation

State Window Corporation is a glazing and building envelope contractor based in Vaughan, Ontario, operating under NAICS 238150. The company specializes in the supply and installation of aluminum windows, doors, railings, and glass systems for residential and commercial construction projects across the Greater Toronto Area.

As a glazing contractor, State Window Corporation works directly on construction sites and building projects, delivering finished glazing and envelope solutions to builders, developers, and general contractors. The company's in-house operations support the preparation and customization of glazing products prior to installation, which is standard practice for contractors in this trade.

Why Choose State Window Corporation

• Comprehensive health, dental, and paramedical benefits
• Wellness program and learning/training opportunities that support a positive work environment
• Relocation costs covered by employer
