Job Details

The Accencis Group Inc. is a leading Canadian franchisor built on a multi-brand strategy, with a focus on the food and beverage industry. With an impressive portfolio of 18+ brands and a network of 40+ restaurants, we have solidified our presence in the market. Leveraging over 10 years of franchise expertise, we have successfully guided corporations toward financial success through our comprehensive management processes.
With over a decade of franchise expertise, Accencis supports operators and corporate partners through a full-service, results-driven management model. Our team includes experienced entrepreneurs, investors, executives, and former franchisors and franchisees—each bringing hands-on industry insight and a shared commitment to growth. We don’t just build restaurants—we build lasting, profitable platforms for our partners.

Job type: Full-time& Permanent

For further information please forward a detailed resume to Careers@accencisgroup.ca. We appreciate all applicants for showing an interest in this position. Only those qualified candidates will be contacted.

Job Description

Main duties:
• Plan, organize, and oversee all operations of a renovation company, ensuring projects are delivered on time and within budget.
• Prepare competitive bids and detailed proposals for construction and renovation projects.
• Collaborate with clients, architects, and engineers to review plans, specifications, and design requirements.
• Recruit, hire, and supervise trade subcontractors for specialized tasks such as plumbing, heating, and electrical work.
• Develop work schedules and coordinate the activities of subcontractors to maintain efficient project flow.
• Inspect completed work to verify quality standards and ensure compliance with plans and specifications.
• Maintain an up-to-date directory of suppliers and trade subcontractors for future projects.
• Design and execute marketing and advertising strategies to promote the company’s products and services.
• When necessary, perform hands-on carpentry or other skilled trade work during construction or renovation projects.
physical Requirements:
• Physically capable of being able to stand, walk, bend, and use hands and appliances.

• Able to lift, carry or handle heavy objects (40-50lbs+)

Required Education:

High school or equivalent

Qualifications:

• At least 10 years of experience in cooperative interior design

• Project manager qualification or proven experience as a project manager

• Extensive experience in the construction industry, including experience as a general supervisor, is usually required for self-employment as a builder or a renovator.

• Leading in Energy and Environmental Design (LEED) certification may be an asset in bidding on and obtaining building and renovation projects.

Salary:

• $40.00-$45.00 per hour (to be negotiated) for 35 hours a week, 52 weeks a year
